body snatchers and grave robbers were the stuff of victorian lore but two real life culprits took the crimes out of shadowy cemeteries and into criminal court william burke and william hare aided scottish surgeons competing for anatomical breakthroughs by experimenting on human corpses as the duo evolved from petty theft to premeditated murder they unwittingly brought attention to the medical practices of the era leading to burke s death by hanging this account not only explores the work of the resurrectionists it reflects the nature of serial killers 1820s criminal law and edinburgh s early role as a seat of european medical research readers interested in the legal aspects of these crimes will find the trial testimony included to be a valuable resource

this wide ranging companion to modern british and irish drama offers challenging analyses of a range of plays in their political contexts it explores the cultural social economic and institutional agendas that readers need to engage with in order to appreciate modern theatre in all its complexity an authoritative guide to modern british and irish drama engages with theoretical discourses challenging a canon that has privileged london as well as white english males and realism topics covered include national regional and fringe theatres post colonial stages and multiculturalism feminist and queer theatres sex and consumerism technology and globalisation representations of war terrorism and trauma

dramatic realism since its birth in the hectic late years of the nineteenth century gave theatrical and thematic energy to the interaction between a play s text and the way that it looked on the stage characters began to find themselves in rooms and settings that played an active and changing role in the drama and their dialogue and reactions evolved in time with these changes as life itself became more elaborate during the 20th century so these rooms were invaded and then defined by the outside world fred miller robinson s enjoyable and stimulating essays on this enduring genre tackle the dreams and anxieties of the middles classes of the industrial revolution dreams of domestic comfort and refuge and anxieties about how entrapping that comfort could be moving from ibsen to chekhov and onwards into later plays in which the reality of realism comes under scrutiny this is a book to dip into before a performance or to study during a class
