american democracy in peril encapsulates the tumultuous state of american  
politics by introducing the history of democratic theory in terms of four  
models of democracy hudson provides readers with a set of criteria against  
which to evaluate the challenges discussed later this provocative book offers  
a structured yet critical examination of the american political system  
designed to stimulate students to consider how the facts they learn about  
american politics relate to democratic ideals this new edition incorporates the  
trump presidency and the polarization that has accompanied his leadership  
provided by publisher

nearly thirty years have passed since latin america began the arduous task of  
transitioning from military led rule to democracy in this time more countries  
have moved toward the institutional bases of democracy than at any time in

the region's history nearly all countries have held free competitive elections and most have had peaceful alternations in power between opposing political forces despite these advances however latin american countries continue to face serious domestic and international challenges to the consolidation of stable democratic governance the challenges range from weak political institutions corruption legacies of militarism transnational crime and globalization among others in latin american democracy contributors both academics and practitioners north americans and latin americans explore and assess the state of democratic consolidation in latin america by focusing on the specific issues and challenges confronting democratic governance in the region

a progressive history of american democracy since 1945 american dreams hard realities offers a social political and cultural history of the united states since world war ii unpacking a period of profound transformation unprecedented in the national experience this book takes a synthetic approach to the history of the 1940s to the present day it examines how americans descended from a mid century apogee of boundless expectations to the unsettling premise that our contemporary historical moment is fraught with a sense of crisis and national failure the book's narrative explores the question of decline and more importantly how the history of this transformation can point the way toward a recovery of shared national values chris j magoc also gives extensive treatments to the following grassroots movements that have expanded the meaning of american democracy from the 1950s human rights struggle in the south to contemporary movements to confront systemic racism and the existential crisis of climate change the resilience of american democracy in the face of antidemocratic forces the impacts of a decades long economic transformation the consequences of america's expanding global military footprint and national security state

fracturing of a nation once held together by a post war liberal consensus and broadly shared societal goals to an america facing an attack from within on empirical truth and democracy itself this book will be of interest to students of modern u s history social history and american studies and general readers interested in recent u s history

highlighting eleven different topics in separate chapters the thematic approach of latin american politics offers students the conceptual tools they need to analyze the political systems of all twenty latin american nations such a structure makes the book self consciously comparative allowing students to become stronger analysts of comparative politics and better political scientists in general

the new american democracy fifth edition emphasizes the centrality of elections in american politics today and examines our country s evolution from a pluralist democracy to a more populist one helping you understand how both have profoundly changed the way our political system operates new to the fifth edition complete up to date coverage and analysis of the following topics historic 2006 congressional campaigns and elections concerns about terrorism and the governmental steps to combat it complexities of immigration legal and illegal latest developments in the area of campaign finance civil rights of latinos asian americans and gays and lesbians

for more than two centuries the u s supreme court has provided a battleground for nearly every controversial issue in our nations history this veteran team of talented historians produces the most readable astute and up to date single volume history of this venerated institution

recent scholarship and a list of suggested readings forty seven illustrations

the federal special prosecutor unprincipled abuser of power or staunch defender of the law as katy harriger shows the special prosecutor was a hotly debated and controversial subject throughout much of its existence this was especially true she argues during the lengthy expensive and highly politicized investigations of lawrence walsh and kenneth starr into allegations concerning presidents ronald reagan and bill clinton harriger offers the most complete assessment available of the use of special prosecutors in the post watergate era she analyzes the independent counsel s role within the framework of the separation of powers explaining how each has interacted with other key players in the political and legal system and showing how those relationships have affected the prosecutor s ability to conduct investigations harriger s previous edition focused on the legacy of watergate but was published before walsh s iran contra investigations were concluded her new study adds substantially more information on iran contra provides a clearheaded appraisal of starr s sensationalized whitewater lewinsky investigations examines a number of senior level cabinet probes and critiques and clarifies the role of attorney general janet reno in these latter matters a completely new chapter compares iran contra and whitewater lewinsky to explore the limits of the law in the special prosecutor s efforts in this new edition harriger includes 20 new interviews with washington insiders including one with kenneth starr and covers the debates that led to both the reauthorization of the independent counsel statute in 1994 and its demise in 1999 she then examines the pros and cons of the office and offers constructive suggestions for improvement should it be revived for students scholars and concerned citizens her book takes us well beyond frenzied media hype and partisan politics to provide a timely reminder about the crucial role of separation of powers in our system of governance
